

VA Fisher House Guest Agreement For Oxygen

Welcome to the Albuquerque Fisher House. Below is information which will help ensure your comfort and safety during your stay, as well as that of your fellow Fisher House guests. Please read and sign this document indicating that you understand and agree to the guidelines for the use of oxygen in the Fisher House. Should you have questions, please feel free to ask the Fisher House Manager or Fisher House staff for clarification. Thank you for your cooperation.

Any violation in the Fisher House Guest Agreement may result in immediate removal from the Fisher House, (in accordance of the VHA Handbook 1110.1 "VHA Fisher House Program"):

1. Use of Oxygen in the Fisher House
 - a. Agree to furnish your own oxygen tank and storage rack.
 - b. Agree to properly store oxygen cylinders in storage racks when they are not in use.
 - c. Agree that the delivery and removal of tanks are solely your responsibility and must occur no earlier than check-in and prior to check-out.
 - d. Agree to handle all oxygen containers and equipment cautiously and carefully.
 - e. Agree to post the oxygen caution sign outside your door.
 - f. Agree not to smoke or accompany anyone smoking around the oxygen tank.
 - g. Agree to know the location of the closest fire extinguisher, fire pull-station and exit from the house.
 - h. Agree to follow the oxygen safety rules included in the Fisher House Guest Book.
 - i. Agree that the individual utilizing the tank must be independent or accompanied by an adult who can assist at all times.

I, _____ (print full name) have read the FISHER HOUSE GUEST AGREEMENT FOR OXYGEN, and agree to comply with the stated rules. I understand that failure to comply with the rules may result in removal from the Fisher House.
